**SECTION C:** Please describe the specific health information you would like released by completing the appropriate information below. Certain specific health information requires a separate indication from you in order for us to release that information, such as HIV test results, hereditary disorder test results, family planning services and certain mental health information. If you would like this information released, you will need to indicate separately in the boxes C.2, C.3, C.4, C.5 and C.6 below. ***You must both check the box and initial next to the box to authorize the release of the information described after the box.***

**C.1: General Health Information Release** Please note: if you do not check any of the boxes in the Sections C.2, C.3, C.4, C.5 or C.6 below and there is information in your record as described in those sections, the information described in those sections will not be included in the release if you simply check the boxes in C.1. However, we will include mental health records, except in C.2.

\_\_\_\_\_ Check here ***and initial*** next to the box if you would like information related to specific dates of service released and not the entire medical record.

Indicate dates of service: \_\_\_\_\_

\_\_\_\_\_ Check here ***and initial*** next to the box if you would like to further describe the health information that you would like released, and please provide a description: \_\_\_\_\_

\_\_\_\_\_ Check here ***and initial*** next to the box if you would like your entire medical record released.

\_\_\_\_\_ Check here ***and initial*** next to the box if you would like your Radiology Film or Radiology Compact Disk (CD) released.

\_\_\_\_\_ Check here ***and initial*** next to the box if you would like your billing records or billing information released.

**C.2: Mental Health Information**

\_\_\_\_\_ Check here ***and initial*** next to the box if you had inpatient psychiatric services provided in the G2 or H2 hospital unit and you would like these records released. Please note that the physician, licensed psychologist, social worker or marriage/family therapist who was in charge of the patient's care may deny release of your information in limited circumstances.

\_\_\_\_\_ Check here ***and initial*** next to the box if you had outpatient psychiatric services provided in the Outpatient Psychiatric Clinic located at 401 Quarry Road and you would like these records released. Please note that the physician, licensed psychologist, social worker or marriage/family therapist who was in charge of the patient's care may deny release of your information in limited circumstances.

**Please send SHC request to:**

Fax UHA Requests to: (510) 731-2643

**IMPORTANT NOTE ABOUT MENTAL HEALTH INFORMATION:** If you received mental health services, such as psychiatric consult, when you were an inpatient not on the G2 or H2 hospital inpatient psychiatric units or when you were an outpatient in one of the outpatient clinics other than Outpatient Psychiatric Clinic at 401 Quarry Road, the mental health notes in your general record will be released when you check the boxes in Section C.1. We will release all information in the general record as you indicate in C.1, which may include mental health notes if you were seen in locations other than the inpatient psychiatric unit or the outpatient psychiatric clinic. We will not exclude or redact information that is included in the general record for releases that you authorize under Section C.1, including mental health notes in the general record. We encourage you to request a copy of your records and review them before authorizing the release of the records.

**C.3: HIV Lab Test Results**

\_\_\_\_\_ Check here **and initial** next to the box if you had HIV tests performed and would like the HIV test results released.

**C.4: Hereditary Disorder Test Results**

\_\_\_\_\_ Check here **and initial** next to the box if you had Hereditary Disorder tests performed and you would like the Hereditary Disorder test results released. Hereditary Tests include antenatal, neonatal, childhood and adult hereditary disorder screening records and/or related genetic counseling services *that were provided in the Genetic Counseling Department* (all test results and records generated as part of the Hereditary Disorders Program). The release of this information may involve the following risks: re-disclosure by the recipient of Hereditary Disorder test results, loss or compromise of insurance benefits, or employment status. The release of this information may involve the following benefits: predetermination of genetic conditions, coordination of care, treatment options. You should consult your physician concerning the risk and benefits of specific tests.

**C.5: Family Planning Services**

\_\_\_\_\_ Check here **and initial** next to the box if you had California Family Planning, Access, Care and Treatment (FPACT) services and would like this information released. FPACT services may include clinical services, drug and supply services or laboratory services provided at the Gynecology Clinic (GYN) or the Reproductive Endocrinology and Infertility Clinic (REI). If a minor has received family planning services, the release of these records requires authorization from the minor.

**C.6: Non-Treating Physician Access to Electronic Medical Record**

\_\_\_\_\_ Check here and initial next to the box if you authorize the following physician (s) who are not involved in your treatment to access your electronic medical record and you are not requesting the release of your printed medical record: \_\_\_\_\_
